

Product Management Essentials

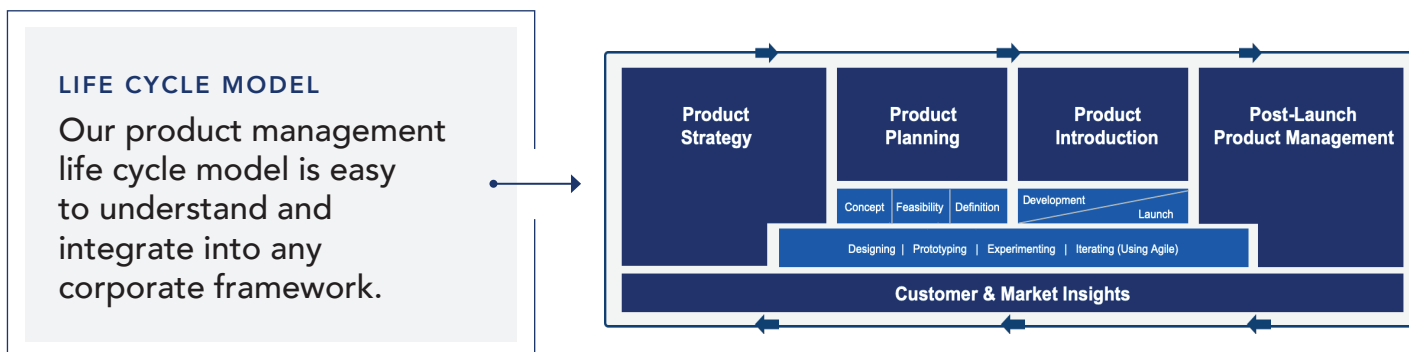

2-Day Public Workshop and Certification Program

OVERVIEW

This workshop offers a comprehensive journey across the product life cycle, guided by experts who facilitate 12 interactive exercises. There's nothing better than understanding a core construct and immediately putting it into practice, using your own products as examples.

KEY ADVANTAGES

- Focus on the entire product life cycle, from start to finish
- Attention to both Waterfall and Agile product development methods (mixed mode)
- Emphasis on the "art" of influencing, storytelling, and getting the job done
- Cultivation of a "business ownership" mindset

THE PRODUCT MANAGERS SURVIVAL GUIDE, 2E is the perfect platform for product managers to learn their jobs, earn empowerment, drive the team forward, and deliver results! The foundation for this workshop is The Product Manager's Survival Guide 2nd Edition by Steven Haines, founder of Sequent Learning Networks.

THE LEARNING NEVER STOPS

Each participant is provided with ongoing support that includes:

- A hard-copy of the Product Manager's Survival Guide, 2e by Steven Haines
- Our Product Management Acumen Online Skill Assessment
- Access to our Product Management Certification Exam
- Our Alumni Continuing Education (ACE) video library that cover key topics from the workshop
- 14 templates to help you apply the learning after the workshop
- A post-class workbook to help apply the key learnings
